WAVERLEY HILLS

## Our Wedding Package

*Bring your fairytale to life!*

Waverley Hills offers a serene and elegant venue. Built with class and style, with immaculate finishes, sets a gorgeous canvas amongst the vineyards and olive trees. Large foldback glass doors allow the beautiful views of the valley to flow from the venue. The large fireplace adds ambience and warmth for winter weddings and in summer the venue is fully airconditioned and offers a large balcony with views stretching over the valley and mountains. Whether it is an intimate or a lavish affair the catering and service team will ensure that this special day is filled with charm.

Waverley Hills accommodates 120 guests either with long tables or round tables including a dance floor.

Nestled between Ceres and Tulbagh, Western Cape, 136kms north east of Cape Town's city centre, not too far out of the city, but just enough to get away. Life slows down and beauty never stops.

## WEDDINGS

You have a choice to either create your own 'open-air-church' guests are seated in our beautiful gardens, overlooking the valley's views and surrounded by the natural fynbos & organic vineyards, guests make their way through the garden paths to your fairytale setup or you can make use of our indoor quaint chapel that offers beautiful down lighting, a large mirror before walking down the aisle, and seating on our white chapel benches. Our chapel has a refined interior completed by the rustic exposed brick work.

With its unassuming natural beauty, Waverley Hills is a photographer's dream when shooting these special wedding moments.

Above the chapel, our venue will accommodate you for the evening. A balcony offers you a back drop as the sun dips behind the horizon, the dance floor and atmosphere come to life.
