## CW RESERVE SHIRAZ 2017

### ANALYSIS

Alcohol: 14.97 %  
pH: 3.45  
Red Sugar: 2.3 g/l  
Tot acid: 6.2 g/l

### VINEYARD/HARVEST

Specially selected from a small parcel within an existing vineyard with Oakleaf soils and clay sub soil and drip irrigation. This piece delivers about 2 tons of grapes every year with very small grape bunches and tiny berries

### BLEND

100 % Shiraz

### WOOD

48 months in 100 % new French oak 225 litre barrels

### CELLAR

Fermented at 24 °C in open stainless steel vats. Regular manual punch-downs were done during fermentation. The wine was transferred to barrels for malolactic fermentation and further maturation

### TASTING NOTES

Intense purple colour. Concentrated white spices, fresh plum and fynbos (garrigue) aromas rounded off by floral and violet notes and the smoky flavours of French oak. On the palate the wine has a soft and smooth entry and a long, fresh finish with integrated oak flavours.

### FOOD SUGGESTIONS

Grilled meats, vegetables, venison and beef stew
